## GERDA KLEIN'S LETTER TO STUDENTS

POSTED BY: MLYNCOLN // CATEGORY: COMMUNITY SERVICE // 3:37 PM

Following the recent **Stand Up! Speak Out! Lend A Hand!** videoconference, Gerda Weissmann Klein wrote a most moving and eloquent letter to student participants. We are grateful to the **Klein Foundation** for permission to share this message with school groups who will have the privilege of hearing Mrs. Klein speak in Battle Creek, Michigan on April 16, 2007.

## STUDENT SERVICE PROJECTS

POSTED BY: MLINCOLN // CATEGORY: WORLD OF TODAY // 8:41 PM

**Stand Up. Speak Out. lend a hand** Lakeview High School World at War classes have undertaken several service projects in connection with the follow-up [MAGPI videoconference](#) on January 17. We are looking forward to hearing about activities in which other schools have been involved.

What we are doing here at Lakeview High School is three different projects. First, we spent a day creating Christmas Cards for veterans and will be delivering them to a VA Hospital in our town where we will spend some time with the Veterans there.

Second, we are working with our local Habitat for Humanity and a group called the Haven of Rest to help redevelop some housing for individuals who have been homeless and who have gone through a program to get back on their feet. The housing we are working on will be permanent housing for them.

Finally, we are putting together 30 packets of school
